2014 Senior Enrolled Student Survey

Answer If Class Is Not Equal to Senior

Intro 1 Enrolled Student Survey The Enrolled Student Survey is an opportunity for you to tell us how things are going. The survey asks questions about your experiences as a student at Princeton. We ask that you be candid and tell us what has worked well for you and what could be better. Your responses along with those of your classmates will provide extremely valuable information about Princeton's performance as an educational institution and will give important guidance as we plan for the future. Please be assured that your responses will be treated in a strictly confidential manner. Information that you provide in this survey is for administrative uses and does not constitute an official report to Princeton University. Should you have immediate issues, concerns, or complaints that you would like to report to the University, please contact the Office of the Dean for Undergraduate Students. You may skip questions that you are not inclined to answer (but we hope that you will do your best to answer all the questions that are relevant to you). The information collected during this voluntary survey will be linked to your Princeton ID number and combined with other with other University data. Together this information will be used in studies undertaken by the University. Any findings based upon this survey will be reported in a manner that does not identify individual students. The survey takes about 35 minutes to complete, but does not need to be completed at one time. If you have questions or concerns about the survey, please contact: Jed Marsh Vice Provost for Institutional Research 322 Nassau Hall Princeton, NJ 08544 provres@princeton.edu
