Intro The Graduate School Exit Questionnaire

All students who are leaving the Princeton Graduate School with a degree (graduating) must complete this Exit Questionnaire.

The purpose of the questionnaire is to solicit information about your satisfaction with your experience of graduate education at Princeton and your post-Princeton plans. This information will be used by University offices, departments, and programs for administrative and graduate policy purposes and will significantly help us improve and strengthen graduate education at both the departmental and University levels.

Information from the post-Princeton plans section of this questionnaire will be linked to your name and may be shared with your department/program and Office of Career Services.

All other findings based upon this survey will be reported and shared in a manner that does not identify individuals. Also, the University will, after removing all personal identifiers, share these data with a group of leading research universities as part of an on-going study of graduate education in the United States.

This questionnaire is for administrative uses and does not constitute an official report to Princeton University. Should you have immediate issues, concerns, or complaints that you would like to report to the University, please contact the Graduate School. The survey takes about 20 minutes to complete. You may skip questions that you are not inclined to answer (but we hope that you will do your best to answer all the questions that are relevant to you).

Thank you in advance for your cooperation and participation.

Q41 The Office of Alumni Affairs seeks to maintain and strengthen the relationship among graduate alumni, the Graduate School, and Princeton University as a whole. The office works closely with the dean of the Graduate School, the Alumni Association of Princeton University, the Association of Princeton Graduate Alumni, and individual departments and programs to provide opportunities for graduate alumni to connect to one another and to the University. Gatherings hosted by the dean in Wyman House and in cities around the world, graduate alumni/student career mixer evenings, Alumni Day activities and Reunions are just a few of the occasions which bring graduate alumni together each year. To ensure you remain informed on activities that are important to you, would you like to answer questions related to volunteer opportunities and provide updated contact information for the Office of Alumni Affairs?
