

Orientation Survey 2017

Q1 We need your feedback! To better understand how the University can support students as they transition to Princeton, we are reviewing the content available to students prior to arriving to campus as well as the Orientation programming that was offered from Saturday, September 2 to Sunday, September 17.

Please complete this brief survey to help us make improvements to the Orientation experience for new students. Please note that your answers on this survey will be linked to your Princeton ID number so that we can accurately compare results from this survey with the results from others surveys. Your answers will be treated in a strictly confidential manner. Any findings based upon this survey will be reported in a manner that does not identify individual students.

You may skip questions that you are not inclined to answer (but we hope that you will do your best to answer all the questions that are relevant to you). Your participation is completely voluntary but gratefully appreciated. If you have any questions about this survey please contact: Lexy Parrill, Orientation Program Coordinator, at orientation@princeton.edu.
